

Sibford Old Scholars' Association

Application for Life Membership

Old scholars, together with former members of school staff, are encouraged to become members of SOSA. As a member you will automatically be kept up-to-date with events at the School and receive copies of the Sibfordian (published in September) and the annual SOSA Newsletter (normally published in April). You will also be entitled to access the members' address list and will be invited to the annual reunion, which coincides with the School's Open Day.

We are keen to keep in touch with as many former scholars as possible so if you're not already a member of SOSA please complete the form below and return it to Wendy Finch, at Sibford School, Sibford Ferris, Banbury, Oxfordshire OX15 5QL or email it to wfinch@sibfordschool.co.uk.

In addition to financing the publication and distribution of the newsletters, SOSA continues to support the School where possible. Recent grants have included £7,000 to assist with the refurbishment of the library and £5,000 towards creating a multi-use games area for use by the school and young people in the village.

Your becoming a Life Member of SOSA does not require the payment of any form of subscription, however we always welcome and are most grateful for any donations received in support of SOSA and Sibford School. Cheques can be made payable to Sibford Old Scholars' Association or you can make an electronic payment using the following bank details:

Lloyds TSB Banbury Branch Sort Code: 30-90-42
Account: 0329914 Sibford Old Scholars' Association.

I wish to become a Life member of SOSA
